Volumes 1-9 on sale now!

Hi, again! Just so you know, the official Volume 9 translation is out now, and I'm sure that Volume 10 is soon on its way. Please support the authors by buying their works. In fact, the official translators probably put out a much better end product than I ever could. The Kindle versions are all less than 7 USD on Amazon (Japan or USA). That's really not expensive at all, and you'll feel better about yourself.

What would you say to one more change?
Ah, but anyway
I'm not gonna cut any more, but
We could try parting your hair...
Maybe a hairpin?
Oh?! How about side braids?
We could tie up the back?
'Cuz I wanna see it myself!!!

Hey, Koizumi? We're about to take entrance exams, so should we really be at the pool?
I think taking breaks is necessary.
